OLD BUSINESS

We have not received any further information from Matric.

There was some discussion about the property owners that have not replaced their lateral lines. After some discussion, it was decided that letters will be sent out again and a time will be given to each customer to get the work done or their water will be shut off. These letters will be sent by the solicitor.

The topic of past due accounts was also discussed. The Township will provide additional information on the past due accounts to the solicitor and letters will be sent by his office to each account trying to get agreements between each customer and the township for payment of these past due amounts.
