

May 2, 2017

A meeting of the Cranberry-Venango County General Authority was held on May 2, 2017. At 12:08pm the meeting was called to order by Vice-Chairman Fred Ziegler. Members in attendance were Mike Erwin and Rob Eakin. Also attending were Chad Findlay, Mike D. Erwin and Bonnie Waggett from Cranberry Township, along with Supervisors Fred Buckholtz and Harold Best; Jim Greenfield – Authority Solicitor and Kyle Fritz (EADS Group), Township Engineer. Jeff Clifton, Township resident was also present.

Absent from the meeting was Karen Wenner.

Fred Ziegler asked for a motion to approve the minutes from the April 4, 2017 meeting. Rob Eakin made the motion and Mike Erwin second the motion – motion carried.

NEW BUSINESS

Mr. Clifton asked about his sewer bill. He had a commode break in an outside restroom that was not being used and the water spilled out, causing his usage to increase and his bill for sewer went from approximately \$78.00 to over \$800. He asked if there might be something he could do to lower the bill. Mike will be going to his business to try to determine if the water went into the sewer. Once that has been determined, Rob Eakin made a motion that if the water did not enter our sewer system we could just bill him his average bill, Mike Erwin second the motion and the motion carried.

OLD BUSINESS

Jim Greenfield reported on possible solutions to a property owner (not tenant) leaving their residence for an extended period of time and having their water shut off. There was some discussion and a decision will be made once additional information is gathered.

537 Plan

Kyle provided members and guests with a bullet list of the three (3) proposed sites for the proposed WWTP. He discussed the list and answered questions asked by attendees. Kyle mentioned the DCED Small Water and Sewer Grant that has been announced and asked if we needed him to submit an application for any projects. He was asked to submit an application for the Riverside Drive water line replacement project (he will get information from Mike to complete).

SEWER AGREEMENT

Nothing to report.

WATER AGREEMENT

Nothing to report.

At 1:10PM a motion was made by Rob Eakin to adjourn the meeting, a second was made by Mike Erwin; the motion carried.

NEXT MEETING

Tuesday, June 6, 2017 at noon.

Respectfully submitted by: Bonnie Waggett
